

Birch Class Homework

Term 6

These are homework activities which link to our topic this term. We have selected activities to link in to either our topic, which is Britain since 1945 or our Science unit which is about sound. As this is a new method of setting homework, we ask that you select one of these to work on each week and bring in on Wednesday. However, if you choose one that takes longer than a week, then that is fine, just bring it in when it is finished. For some, we have suggested how to present them, but if you would like to take an idea and present it in a different way, then we would love to see that. We do NOT expect that you will complete all of these, but we have tried to give you enough for you to have a choice.

We hope you enjoy this more creative approach to homework and look forward to seeing the results. If you have any questions, then please ask.

<p>Interview a relative about the decade they grew up in. Remember to think about what you want to ask them and plan your questions before the interview.</p> 	<p>Create a PowerPoint presentation about British art since 1948. This could be a general presentation about different artists, or you can choose one specific artist to research.</p> 	<p>Design and make a modern musical instrument.</p> 	<p>Find out about music and musicians since 1948. You could either select music from a specific decade or across several decades.</p> 
<p>Create a fact file of famous (British!) film or TV stars since 1948. What films or shows are they famous for? Can you find at least one for each decade?</p> 	<p>Find out how dance has changed since 1948. (You can either present this in a written format or you could even give a demonstration!)</p> 	<p>Write a list of British Prime Ministers since 1948.</p> 	<p>Draw a timeline of important events in Britain since 1948.</p> 
<p>Create a poster about a specific decade since 1948. You could include information about home life, music, historical events, popular culture or any other information.</p> 	<p>Draw a picture that shows different types of clothing since 1948</p> 	<p>Create a fact file about inventions since 1948. What things have become part of life in Britain since 1948? How have they changed?</p> 	<p>Find out how transport in Britain has changed since 1948.</p>
