10th January 2017

To Maple Class Parents / Carers

Dear Parents / Carers

Maple Class Term 3

Happy New Year to all of Maple class. Well done to all of Maple class for all their hard work in term 2.

During our Literacy lessons this term we will be focusing on story writing and how to develop our writing through adding detail. We will be reading a selection of books and using them to develop our writing skills.

During Maths this term we will be working on time and fractions as well as continuing with place value methods. We will develop our use and knowledge of analogue clocks to develop reading and writing digital times as well as working on time problems.

In Science, year 2 is focusing on materials. We will be exploring different types of materials and how these are used in everyday objects. In addition year 3 will be learning about rocks and fossils and how these are formed and found.

In Geography we are finding out about the Seven Wonders of the World.

Please feel free to discuss any concerns you have.

Thank you for your support

Yours sincerely

Miss Jones, Mrs MacLaurin and Mrs Groves
