To Oak Class Parents / Carers

Dear Parents / Carers

Term 6 is upon us...where did the year go?

This term is slightly different for Oak class because we spend some of our curriculum time reading and rehearsing the play as well as learning the songs by heart. Lots of lovely learning intentions ticked off in many subjects. Yay! Please help your children learn their lines if you can. The children all had a say on who should get the main parts. Where children went for the same character we had a democratic vote. It was all very civilised. I will be sending home costume suggestions soon. The theme is Robin of Sherwood so will be mainly greens/browns and tunics or shirts with leggings/tights/skinny jeans if for a male character and long skirts and shawls if a female village character.

Our new topic is The Wild West and some children have already brought in work for our display board. Thank you for your support. Our class book will fit in with this and is called Mystery of the Oregon Trail. Who doesn't like a mystery?

Science will be finishing off last term's topic on Earth and Space and we will then start our SRE topic. Any questions do come and see me. As part of this topic we have the infamous Oat Babies, where the children get to take home a "baby" for the night to care for. Homework for that week will be writing up how you spent your evening - a separate information sheet will be sent out nearer the time.

Numeracy will be going over tricky topics that need revisiting and consolidating as well as introducing some year 7 maths vocabulary to the class to help with transition to secondary school. Ninja maths will continue as the children enjoy it and are doing very well with it.

P.E. (Thursday and Friday) will be Cricket taught mainly by Mr Waters - please ensure your child has a P.E. kit at school every week.

Recorders and percussion will continue with Mr Stevens.

Yours sincerely

Mrs Phillips, Mrs Miller and Mrs Benham
